

About karate study abroad expenses

It is a cultural visa to learn Japanese traditional culture.

Admission fee and tuition fee are exempt.

If you need a certificate of completion or diploma, you will need to pay extra.

Travel expenses and stay expenses in Japan are required.

The cost of stay is approximately 1 to 2 million yen.

Included in the cost: Living expenses for 3 to 12 months (including food expenses)

The above costs are just a guide and may change due to fluctuations in the period and exchange rates.

Travel expenses such as health insurance, visa application, and airplane are not included.

Please contact us for details. We will estimate the cost.

Conditions for accepting international students

- Age 18-30 years old
- Karate 1st-dan and above
- Japanese test level 4 or above
- One international student is required.
 - Two or more people cannot be accepted at the same time.
- Career manual (details such as karate, educational background, work history, home, etc.)
- Photo

※ If it is less than 3 months, the admission fee will be exempted, but the tuition fee for 3 months will be required.
